

Be aware of Counterfeit and Reproduced TOKICO Oil flowmeters in INDONESIA

1. It is reported that there are sales dealers, who sell Counterfeit and Reproduced products for TOKICO (Tokico System Solutions, Ltd., hereinafter called TOKICO) Oil flowmeters in Indonesia. Those Counterfeit products have the name plate with disguised “ Production date”, “ Model name”, and “ Serial number” to pretend as a brand-new product.
2. If you buy those Counterfeit products, you may face an inaccuracy or malfunction of flowmeter in the short term.
3. TOKICO’s authorized distributor in Indonesia, who sells genuine TOKICO Oil flowmeter is as follows.
 - PT Badja Abadi Sentosa
Pertokoan Glodok Jaya No. 90
Jl. Hayam Wuruk, Jakarta 11180 – Indonesia
TEL : +62-21-649-8752, 649-8755, 649-8760
<https://www.badjaabadisentosa.com/>
4. In case you buy TOKICO Oil flowmeters from other dealers than the above authorized TOKICO’s distributor, please be aware that those flowmeters may not be TOKICO’s genuine products.
5. TOKICO’s Warranty will not be applied to the products, which are not purchased from the above TOKICO’s authorized distributor. TOKICO will not be responsible for any damage, lost profit, and claim from a third party, which is caused from the usage and/or malfunction of Counterfeit products.
